

Avalon Borough Tournament

2017 GREATER AVALON FISHING TOURNAMENT

The 2017 Tournament is already underway. We encourage men, women and children to participate in this competition. All participants will receive a

“Certificate” and in early January, 2018, the winners will be notified through the Mayor’s office.

In the adult category, ages thirteen (13) and older, could win a four (4) hour fishing trip on the Miss Avalon and a plaque will also be received by the winners.

For children twelve (12) and under, the two (2) top winners will receive a \$20.00 certificate to one of the participating bait shops.

Once you have caught your fish, take to a weight-master and fill out the cards with the information required and the signature of the weight-master. The cards are already stamped and should be mailed so your catch can be entered.
